## K. U. QUINTET IS VICTIM OF TIGER VICTORY

Defensive Tactics of Missouri-ans Forced Jayhawkers to Trail Through-out Game.

FINAL SCORE, 35 TO 25

Old Gold and Black Still Remain Undefeated and Are Leaders of Valley Teams.

Missouri Valley Standing.

	WON	LOST	PCT
Missouri	5	0	1000
Kansas	4	1	.800
Nebraska	3	2	.600
Oklahoma	3	2	.600
Ames	2	2	.500
Drake	2	2	.500
Aggies	2	4	.400
Grinnell	1	5	.166
Washington	0	5	.000

Special to The Missouriian.

LAWRENCE, Kan., Jan. 25.—"Wipe out that football defeat" shouted the little delegation of Missouri alumni who crowded into a corner of the K. U. gymnasium here tonight to view their valley basketball hopes, and George Bond and his charges responded with great gusto, forcing Phog Allen's highly touted five, conqueror of Minnesota and Nebraska, to trail throughout the evening. The final score was 35 to 25.

Missouri earned the victory in much the same style as for the past two years. Old Gold and Black quintets have laid low the best that Cardinal and Blue had to offer. If there was any striking point about the play of the Tigers, it was their remarkable defense. Every Tiger gave a stellar exhibition of defensive play. Just one sample is sufficient to show how persistently the Jayhawkers were covered.

Captain George Rody, ace of the Jayhawk offensive, high point man of the valley and the athlete Phog Allen was depending upon to put the skids to Missouri, failed to negotiate a single hamper from the field. He was covered by the Bob Hays of the Tiger delegation with same surety and confidence that a star reporter covers the newest scoop. Rody's attempts were few and far between and of the almost impossible order. His efforts from the foul mark were attended with a little better luck, however, as he was able to ring the bell nine times to his own team.

It was the Tiger defense that resulted

in victory for the Missourians. Those who have seen the Missouri machine in action this entire season were unanimous in the opinion that the team did not put up as good an offensive showing as it did in either the Nebraska or Grinnell games. "Bun" Browning of the Tigers showed K. U. fans that the loss of "Pidge" by the Missouri was only the halfway mark in the scintillating record of the Browning family. The younger Browning dropped five baskets from the floor in beautiful fashion and gave another splendid display of floor work. John Knight was well covered by the Jayhawkers. Captain Bond with four field goals and seven fouls led the field of high point men. He was busy most of the 40 minutes, keeping his eyes on the offense of Kansas, which he was a most important instrument in halting.

Missouri was never behind during the game. She took the lead shortly after the opening whistle when Bunker, foot ball captain-elect, swished two beautiful ringers through the straps from near the center of the floor. The first half ended, 16-12, with the Old Gold and Black at the long end. Early in the last period the Tigers began to draw away from the Kansas. Four of Browning's baskets came early in this period and with Ruby's men holding a 14-point lead Allen sent a pair of subs into the game who succeeded in stemming the tide and in counting twice from the floor. Missouri's victory gave them the untarnished leadership of the Missouri Valley. The Tigers play Ames Saturday evening and Grinnell Tuesday evening, both games being away.

## BAD WEATHER HARD ON SIMPSON'S TRACK TEAMS

Men Have Been Unable to Do Outdoor Work—K. C. A. C. Meet Nears.

The present cold snap and snow has checked the workouts of the Tiger Varsity and freshman track teams. It has been a week now since the men have had a chance to do any outside work, and with the gymnasium too small to accommodate the number of men comprising the two track teams, it has made practice a real handicap.

There is a small wooden track just to the west of the gymnasium which is used for indoor work when the weather is propitious enough, but with the thermometer brushing against the zero mark, it is taking too big a chance to allow the athletes to run to any extent in such cold. It is a hard matter to keep the track in good condition under the weather conditions which have been in vogue the last week.

The annual K. C. A. C. indoor meet to be held in Kansas City February 25, in which the Tiger track team is entered, is drawing near. With this date but a month away, it is a necessity that members of the Tiger squad be getting fast workouts at the present time. Coach Robert L. ("Bob") Simpson is anxiously awaiting the approach of better weather, that his proteges may have the opportunity of getting into winning form.

## AMES NEXT ON LIST

Tigers Will Play Iowa State Saturday Night.

Coach Craig Ruby, Director Z. C. Clevenger and the eleven members of the squad, which whipped Kansas last night, returned this afternoon. The next obstacle in the way of Ruby's team is the Ames game to be played at Ames, Iowa Saturday night. The Tigers will then remain over in Des Moines Tuesday when Grinnell will be met at Grinnell. The Tigers have only one day at home before starting the trip through Iowa. Coach Ruby intends that his men shall work out once or twice in Des Moines, probably at the Drake University gymnasium.

## DRAKE TRACK PROSPECTS HURT WHEN STAR QUILTS

Shearer, Point Winner, Leaves School When He Loses Captaincy of Team.

With an ambitious track program arranged and enthusiastic undergraduates already rehearsing whoops of victory Drake University has struck a snag.

When Jim Shearer, star athlete and high point man of last year's track team, was elected captain of the track squad last spring the campus accepted the team's selection and predicted success for Shearer and his mates. Shearer, who hurdles, broad jumps, puts the shot, tosses the discus and hurls the javelin, was as near the peak of popularity as a successful athlete may approach.

The faculty took a hand in the matter and declared the star's election void because several members of the team were seniors at the time of voting. A re-election, minus the senior support that had formerly been his, cost Shearer the captaincy.

Wayne Feike, half-miler, was chosen over Shearer. That wouldn't be so bad, argue Drake undergraduates, but Shearer has decided that election one minute and demotion the next is too much for his dignity and has quit school. Meanwhile Drake mourns for the man who could turn in points in any one of five events.

## AMES PREPARES FOR TRIP

Relay Team Expected to Throw Dust in Eastern Eyes.

Coach Art Smith put his Iowa State track men through their final hard workout Saturday in preparation for the Eastern jaunt with stop-over arrangements at Pennsylvania and New York City.

The Ames team has elected to butt heads with the cream of the East in the two meets which occur next week. The two-mile relay team which is to frolic in the New York show is expected to toss a mixture of dust and disillusionment in the eyes of the Eastern contenders.

## ICE SKATING IS POPULAR

Lake at End of East Broadway Is Crowded Every Night.

The real old-fashioned winter that has held Columbia in its grip for the last four days has advanced the sale of ice skates in the hardware stores as well as the sale of galoshes in the shoe stores. Ice skating this winter is much more popular than it has been for three years on account of the mildness of former winters.

Skating parties are going out to the end of East Broadway every night to get the thrill of the metallic ring of steel on the clear ice. Fires are built on the banks of the little lake and there the real interest of the skating party is manifested. Some of the more enterprising parties take food along with them to cook and eat over the coals.

Boys of the grade school age seem to have as much fun as their older brothers who like to date on all occasions. On account of the long hill down East Broadway, coasting on sleds to the lake is popular, but the only inconvenience of that is that at the end of the evening's enjoyment the sled has to be pulled up the hill again.
